

IRONMAN® Performance Gel Insoles

🎯 Target Consumer:

Consumers seeking all day comfort for their feet.
Consumers standing for long periods of time:
workers, students and travelers.

✓ Recommended For:

Daily wear – absorbing shock to reduce foot fatigue
and sore feet.
For workers, acts like an anti-fatigue mat in the shoe.

👉 Best For Use In:

Any casual or athletic shoe.

🧩 Components*:

Heel thickness - 7.80mm [1/4"]
Forefoot thickness - 4.00mm [3/16"]
Base - TPR (gel), Heel pad - TPR (gel)
Forefoot pad - TPR (gel), Cradle - TPR (gel)

⚠️ Instructions:

Remove existing insole (some brands of shoes glue
the insole to the shoe, but careful removal will not
damage the shoe). Insert the IRONMAN® Gel Insole
into the shoe. Trim with scissors if necessary.

🧼 Care:

Hand wash in warm water. Air dry.

Features & Benefits:

- 1 **TPR Gel** provides maximum cushioning for greater everyday comfort.
- 2 **Anatomical Cushioning System** - Triple density gel absorbs impact and shock.
- 3 **Heel Cupping** provides extra cushioning and stability for the heel.
- 4 **7 Sizes** - correct arch placement for better fit, comfort and performance.

One-Year Unconditional Guarantee
